Building hours are 7am-4pm. Students staying later than 4pm must be participating in a supervised club, activity or sport.

Getting messages to your student – The school does deliver messages, except in an emergency. There is a message board outside the counseling office (in the courtyard) for parents who want to leave non-emergency messages.

Attendance - A parent or guardian must call the Attendance Office, 720-561-5300, the day of an absence or it will be unexcused. Handwritten notes are not accepted to excuse an absence. If your child will be leaving school early for an appointment, etc., please call the Attendance Office at 720-561-5300 to let them know. The Attendance Secretary speaks English and Spanish.
