

Dear Parents, Students, and Staff,

Your input is essential in the hiring process for the new principal of Boulder High School. The selection of the principal for Boulder High is very important. I have heard from several of you who are interested in participating in the process. Thank you for your interest.

We have posted the position with numerous agencies that should result in a strong applicant pool.

We will conduct a staff meeting on Tuesday June 23, from 5:00 pm-6:00pm to gather input regarding the characteristics staff would like to see in our new principal. We will conduct the same meeting for parents on Tuesday, June 23 from 6:00 pm-7:00pm. Students may attend either session. The input from these meetings is critical to the selection process.

We will have an interview team of about a dozen participants. We will have District, Parent, Community, Student, and Staff participants. Interviews will be held on June 30 from 7:30 am to 4:00 pm at the Education Center. We will strive to design a diverse interview team that is representative of the diversity at Boulder High.

Staff who are interested in participating should send their interest to Eileen Callaway by June 22. We will then send all staff an email to vote for representatives to serve on the interview team.

Parents who are interested in participating on the interview team should send their name to Eileen Callaway by the end of the day on June 22. We will vote for parent representatives for the interview team at the parent meeting the evening of June 23.

The three finalists for the principal position will attend a Community Forum, on Tuesday, June 30 from 6:30 pm-8:00 pm in the auditorium at Boulder High School. Your participation and input at the Community Forum is very important. Please plan to attend.

We will conduct final level interviews on July 1. We plan to name a principal for Boulder High before the end of July.

Please continue to monitor your email for updates. Thank you for your continued support of, and care for, Boulder High School.
